

HUMAN SERVICES CELEBRATION

Wednesday, April 18th from 6:00 pm to 8:00 pm

Boricua College Bronx Campus, 890 Washington Avenue

Come enjoy with us as we share how the Human Services Program of Boricua College is making a difference with professional skills in the lives of many.

Learn more about how our approach is radically different and valuable for our students, the internship programs and, most of all, the greater community.

Information about Boricua College programs and applications for admission will be available.

Community agencies contributing to our successful internship programs will be attending with information about their services, internships, and hiring opportunities.

Looking forward to seeing you!

Contact Professor Ana Marchena (347) 964 – 8600, ext. 447
